The Annual Report under the Rule 17 of the Plastic Waste Management Rules, 2016 for the year 2018-19

The Government of India, Ministry of Environment and Forests published the Plastic Waste (Management and Handling) Rules, 2011 vide notification number S.O 249 (E), dated 4th February, 2011 by, as amended from time to time, provided a regulatory frame work for management of plastic waste generated in the country. The Central Government reviewed the existing rules to implement these rules more effectively and to give thrust on plastic waste minimization, source segregation, recycling, involving waste pickers, recyclers and waste processors in collection of plastic waste fraction either from households or any other source of its generation or intermediate material recovery facility and adopt polluter's pay principle for the sustainability of the waste management system.

In exercise of the powers conferred by sections 3, 6 and 25 of the Environment (Protection) Act, 1986 (29 of 1986), and in supersession of the Plastic Waste (Management and Handling) Rules, 2011, the Central Government published the **Plastic Waste Management Rules, 2016** vide notification no G.S.R 320(E), New Delhi, the 18th March, 2016.

These rules are applicable to every waste generator, local body, Gram Panchayat, manufacturer, Importers and producer but the rule 4 is not applicable to the export oriented units or units in special economic zones, notified by the Central Government, manufacturing their products against an order for export, Provide this exemption shall not apply to units engaged in packaging of gutkha, tobacco and pan masala and also to any surplus or rejects, left over products and the like.

As per the provision of the Rule, 17 Every person engaged in recycling or processing of plastic waste shall prepare and submit an annual report in Form-IV to the local body concerned under intimation to the concerned State Pollution Control Board or Pollution Control Committee by the 30th April, of every year. Every local body required

Minutes of Meeting

Second Meeting of State Level Advisory/Monitoring Committee to review Implementation of Plastic Waste Management (PWM) Rules, 2016

Date: 11.09.2018

Time: 4:30 PM

Venue: Conference Hall – 4th Floor, Palika Bhawan, Bhopal MP

Meeting Agenda

1. Discuss and review draft EPR format prepared by UAD, and shared with brand owners to submission along with action plan as per rule 9 of PWM Rules 2016
2. To discuss and prepare strategy to implement prohibition of use of polythene
3. To Review process of using plastic waste in cement Klin.

Additional Agenda Item taken

1. Clarification on ban on packaging material plastic
2. Discussion on CSR fund creation and using for plastic waste management

Minutes of Meeting

State of Madhya Pradesh, vide its GO Number Constituted and extended vide Order No. F-19-53/2011/1/4 Dated 30.11.2016 of Government of Madhya Pradesh, General Administration Department to ensure effective implementation of Plastic Waste Management Rules, 2016 introduced by Ministry of Environment, Forest & Climate Change, Government of India.

The Second meeting of SLAB, was held on 11th September 2018 under the Chairmanship of Addl. Commissioner & Mission Director SBM(U), Commissioner, Urban Administration & Development, Mr. Vikas Mishra. The list of participants is attached in Annexure-A.

Representatives of Plastic industry raised concerns and requested clarification about,

1. Usage of woven bags which are presently being used as an alternative to plastic bags. It was also brought to the notice of SLAB that currently there are cheap methods available in markets which use plastic beads / chips as raw material.
2. Representatives also requested MPPCB to issue clarification / directions regarding ban on plastic, and its applicability on packaging material.
3. It was also suggested that paver block from plastic can be prepared, and it can be further assessed to provide livelihood to ragpickers etc.

S.E, MPPCB - Mr. M.L Patel suggested for EPR / CSR, brand owners can print the price of empty packets on the packet during packing. This pricing will also ensure that this empty packet is not only collected from the waste stream but also reaches from back to brand owner. This proposal requires further discussion and to be taken up for discussion with brand owners.

गुलशन बामरा
अधिवक्ता, नगर प्रशासन एवं विकास
Commissioner Urban Administration and Development
भारत सरकार
Government of Madhya Pradesh

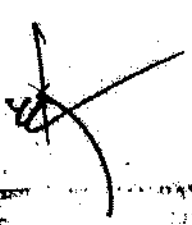

It was suggested that Directorate should communicate all urban local bodies regarding Plastic Waste Management Rules 2016 and also Plastic Ban imposed, it was also suggested that ULBs should implement plastic carry ban effectively across all ULBs.

Dy. Mission Director, SBM(U) briefed about present system wherein plastic is cleaned by fatka machine and balled thru bailing machine the prepared cube is then transported to cement industry for using as alternate fuel. However due to high transportation cost many times these cubes are not transported and remain unutilized at ULBs.

Mr Imtiyaz Ali, Secretary SARTHAK Sanstha Bhopal informed that alternatively, using pyrolysis process oil and diesel can also be prepared and this also has market value.

Ms. Archana Pastariya, who runs an NGO and is working in awareness on management of plastic waste as well as capacity building of ragpickers to provide sustainable livelihood options. She also suggested following:-

1. To setup collection center or door to door collection of plastic (commercial / selected) can be introduced.
2. Rigorous IEC is necessary among vendor / seller etc., any agency can be linked by ULBs to distribute cloth bags and distribute on payment basis at vegetable markets etc.
